Custom Apparel Manufacturing

In addition to a vast portfolio of knitwear products, we offer you state of the art facilities to manufacture apparel precisely to your requirements, with your brand labels. We have low minimums for manufacturing all your custom knitwear apparel needs. We have facilities to assist you with design and development, manufacturing, shipping & logistics.

Design & Development

Our team will assist you in designing your products and provide technical expertise in product development to achieve your goals. We have a large library of fabrics, trims and accessories to cater to all your knitwear needs.

Manufacturing

Our roots lie in manufacturing; we offer various fabrics such as fleece, jersey, french terry, sherpa, polar fleece, polyester fabrics. We have expertise in all kinds of knits, be it space dyed, marled fleece, yarn dyed, slub, snow slub, tri-blend, modal and many more dyeing and wash treatments like performance fabric, enzyme finish, silicon wash and sueding. We also have printing and embellishment facilities for all your decorated needs.

Custom Label

We can produce any of our catalog styles or custom manufacture apparel as per your needs with your own brand label. Just give us your preferences, and we'll take care of the rest and deliver products straight to your doorstep.

Shipping & Logistics

We have decades of experience in import documentation, overseas shipping and import logistics handling. We can use our vast network to provide you with goods right at your doorstep.
